Thanks Olga. Make sure to slip out the back door if the chairs start flying.

Oh boy! Our boss is playing hardball, huh? Wish you were coming, but maybe next time!

I thought hard about the clams (yep, I know I like the “fake” stuff ☺ but I’m afraid I’ll get indigestion or

something in middle of hearing....go figure, my luck!

Have a great day! I know it’s been rough for you lately and I want you to know I’ve thought about you

and your family! My prayers are with you all!

Chat tomorrow or next week, John!

Hey Olga:

I tried twice to get in on the Pilgrim hearing. No dice. Enjoy the information session and hearing. Don't eat too many fried clams at The Lobster Hut! They are open until 9 pm. Nothing like a belly full of fried clams right before bed.

Hope to see you on Friday.

Hi John –

I think we're o.k. for the hearing, so you should spend the day in the office. Coming up to speed on Merrimack thermal would be a good use of your time, I think. Thanks.

Hey Damien:

I am in the office today, but was planning to leave a bit early so I could get home in time to drive over to Plymouth to attend/assist at the hearing tonight. If you think my time would be better spent at the office for the entire day without assisting at the hearing, let me know.

Thanks,

JHN
